within

INFRASTRUCTURES

How is technology changing? How can we understand the hardware of our information landscapes?

GEOGRAPHIES

How do digital divides impact education and agency? What does access look like?

CONSTRUCTIONS

What counts as knowledge? How do authorities and communities interact with information?

PRODUCTIONS

How does medium affect message? What are our responsibilities as knowledge producers and communicators?

PRACTICES

How can we be self-aware? What can we do to overcome cognitive biases, habits, and ill intentions?
