Session Overview

1. What is an online professional identity?
2. Why do I need an online professional identity?
3. Orcid ID
4. Google Scholar profile
5. ResearchGate profile
6. Academia.edu profile
7. Vivo and CU Scholar
What is an online professional identity?
Narrative

“a story we tell to ourselves and to other people and organisations”

Pat Thompson
Performative

Instrumental
● Get a job
● Get funding
● Get published

Disciplinary
● Intellectual traditions
● Scholarly communities
● Conversations
Why do I need an online professional identity?
Why do I need an online professional identity?

- Employers will be googling
- Build relationships with other scholars
- Share work and professional development
- Altmetrics
- Part of open movement
What is Open Scholarship?

“a collection of emergent scholarly practices that espouse openness and sharing”

Veletsianos and Kimmons, 2012

1. open access and open publishing
2. open education (oer/open teaching)
3. networked participation
Participate!

- comment openly on the works of others
- cultivate an online network of peers
- create a range of informal outputs
- mix personal and professional outputs
Problems?

- Site overload!
- Commercial Sites
  - Please read Academia.edu terms. By uploading content, you grant them a license to use the content as they wish, even sell it. I have thus decided not to upload any content to this site. Please find my publications via my own website.
- Celebrity and privilege
- Copyright/Uploading articles/chapters
